

### Pond (Emcee)

"Good Afternoon", Ladies and Gentlemen! Welcome back to 'Indian TalkShow'. Today, we are taking you to a land of vibrant colors, spices, and booming opportunities. Can you guess where? Yes, we are talking about India!

We have four experts here to guide us. Please welcome Famous, Kew, Pee, and Fung!"

"Let's start with the sights. Famous, if our audience goes to India, where is the one place they must visit?"

### Famous (Places)

"Well, Pond, you cannot say you have been to India without visiting the Taj Mahal in Agra. It is one of the Seven Wonders of the World. The white marble architecture is breathtaking. But besides that, I highly recommend Jaipur, also known as the 'Pink City.' The palaces there are magnificent and perfect for taking photos."

### Pond (Emcee)

"Sounds amazing. Now, after seeing the palaces, what should we do? Kew, what activities do you suggest?"

### Kew (Activities)

"For a unique experience, I suggest taking a Rickshaw ride through the markets of Old Delhi. It is chaotic, loud, but very exciting! However, if you want something relaxing after a business meeting, you should try a Yoga retreat in Rishikesh. India is the birthplace of Yoga, and it helps you clear your mind before making big business deals."

### Pond (Emcee)

"Action and relaxation, perfect balance! Now, the most important part—Food! Pee, what is the menu for today?"

### **Pee (Foods)**

"Oh, Indian food is full of flavor. You have to try Butter Chicken with Garlic Naan. It is creamy and not too spicy for beginners. And for a drink, don't forget Masala Chai, which is a spiced milk tea. But a small warning: avoid drinking tap water; always stick to bottled water to stay safe!"

### **Pond (Emcee)**

"Great tips, Fung. Now, let's talk business. Fung, why did we choose India for our business project?"

### **Fung (Business)**

"India has a huge population and a growing middle class who love beauty and wellness. So, our proposed business is 'Siam Spa Imports.' We plan to import Thai herbal products like massage oils and herbal balms to India. Indian people value natural ingredients just like Thais. We believe there is a high demand for authentic Thai wellness products in luxury hotels in Mumbai and New Delhi."

### **Pond (Emcee)**

" That sounds like a brilliant plan with high potential. Thank you all for sharing these insights. India is truly a land of culture and opportunity. That's all for today on Global Biz Traveler. See you next time! Namaste! "
